### 2 Get Help Finding a Provider

Call the member number on your Benefits ID card for help finding providers right for your needs.

We'll help you compare them based on:

- Cost
- Quality
- How well they work with your plan

You can also search for providers anytime at [miBenefits.imagine360.com](https://miBenefits.imagine360.com), when your plan starts.

### 3 Connect With Our Clinical Team

Your plan's highly trained coaches – including nurses, dietitians and licensed counselors – provide confidential, phone-based guidance and education for chronic conditions, such as:

- Congestive heart failure
- Asthma
- Coronary artery disease
- COPD
- Diabetes
- Hypertension

Our nurses can also advise you on what level of care you need when you don't feel well. **For more information on our no-cost support, call the member number on your Benefits ID card, when your plan starts.**

### 4 Understand your Pharmacy Benefits

Imagine360Rx makes it easy to get the most value from your pharmacy benefits and the lowest prices for your prescriptions. Here's how:

- Use network pharmacies for the lowest prices.
- Check your formulary for less expensive generics or alternatives.
- Choose generics whenever possible for lower costs.
- Compare prices at different pharmacies.
