This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call Imagine360 at 1-800-903-4360.
For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-903-4360 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$1,700** Employee/**$3,400** Employee + Dep(s) Level I & Level II In-network & Out-of-network **$3,000** Employee/**$6,000** Employee + Dep(s) Level I & Level II Presbyterian Health Systems Providers	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible?	**Yes.** In-network preventive services do not apply towards the deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	**No.**	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	**$3,200** Employee/**$6,400** Employee + Dep(s) Level I & Level II In-network & Out-of-network **$6,900** Employee/**$13,800** Employee + Dep(s) Level I & Level II Presbyterian Health Systems Providers	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums; balance-billed charges; charges in excess of the Allowable Claims Limits; any noncompliance penalties; and health care this plan doesn't cover	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	**Yes**, for Level II Providers. See page 2 for an explanation of Level I & Level II Providers. Visit www.multiplan.com/phcspracanc for a list of participating Level II providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Do you need a referral to see a specialist?	**No.**	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
Level I Providers include but are not limited to: Hospitals (Inpatient and Outpatient treatment); Inpatient Facilities (such as Rehabilitation Facilities, Skilled Nursing Facilities and Hospice); Inpatient and Outpatient Facilities of Mental Disorders, Chemical Dependency, Drug and Substance Abuse; Ambulatory Surgery Centers and Dialysis Clinics
Level II Providers are Physicians and all other Providers of service not defined as a Level I Provider.
